

**REMARKS/ARGUMENTS**

Submitted herewith is a further executed Declaration which has been signed and dated by the inventors in the above-identified application. This Declaration is in the German language with an English translation alongside the German text as requested in the Notice of Allowability dated September 22, 2008.

In addition, the specification has been amended to correct the Examiner's Amendment set forth in the October 28, 2008 Office Action. Specifically, "T" has been replaced with -- ω --. In a telephone conference with the Examiner on October 30, 2008, the courtesy of which is gratefully acknowledged and the substance of which is set forth herein, this amendment was discussed, and the Examiner indicated that a Rule 312 Amendment should be filed as set forth herein.

Entry of this amendment is respectfully requested.

Respectfully submitted,  
Willmut ZSCHUNKE ET AL.
